The BuildWorks Canada online planroom gives you access to the valuable information you need to successfully find, bid on, and win more work in your area.

Online Planroom

Subscription through your location construction association allows you to view and download tender documents and information for projects across the province. BuildWorks is developed and offered in partnership by local construction associations across the Prairie Provinces, connecting you with opportunities and information to keep you competitive.

Benefits Include:

- Access 24 hours a day, 7 days a week
- Search or browse projects in all stages of construction from pre-bid, through to award results
- Over 2,000 pre-bid opportunity listings, featuring planning and design information
- View and download project documents including drawings, specifications, addenda, schedules, etc. quickly and easily
- View up to date bidders lists, and add your company's intention to bid
- Quick and convenient access to tendering authority contacts
- Follow projects to be notified by email of addenda and other updates
- Lows and award results
- Daily bid matching based on keywords
- Search specifications for specific keywords
- Order prints at member price
- Customize your company profile, visible to thousands of construction buyers
- Manage your own projects through Invitation to Bid

SUBSCRIPTION

BASIC ACCESS is free to members of the Prince Albert Construction Association, and allows users a 'sneak peek' at the BuildWorks platform, with limited project information

FULL ACCESS is available to members of the Prince Albert Construction Association, and grants users all benefits listed above for a yearly subscription fee of \$396.00 + gst

Each user must have a unique email address

Primary User Name:	Email:

PACA Membership Benefits

The Prince Albert Construction Association Inc. is a non-profit organization with a mandate to provide tendering, education and networking opportunities to members active in the commercial, industrial and institutional construction industry in our province. Our association has been operating since the early 1960s. Our members include general contractors, sub-contractors, manufacturers/suppliers or companies who specialize in construction services along with companies who support our local construction industry such as architectural firms, engineering firms, financial institutions, insurance agencies, government agencies, etc.

PACA members have access to a number of services offered through the association

Tendering Opportunities

- 24/7 online access to tendering opportunities both private & public across the province of Saskatchewan
- On-Demand projects
- Project award and bid results
- Timely addenda and project updates
- Access to bidder's lists by project
- Option to receive email notifications on project changes and deadlines
- Download project documents for offline use
- Order prints of project documents via email or directly through BuildWorks electronic planroom
- Access to closed projects, past bid results and award information

Networking

- Education seminars
- Golf Tournament
- Spring Wake-Up BBQ and Pistol Shoot
- Curling Bonspiel
- Annual General Meeting
- Christmas Social

Safety & Education

- Access to SCSA safety training courses
- Member pricing on all education courses, events, and seminars
- Member pricing on CCA and CCDC documents / contracts and seals

Member Directory

- Members listed on PACA website and publications
- Members listed on SKCA roster with ability to customize their information

Board Room/Video Conferencing

Saskatchewan Bid Depository Services

Blue Print Services

Large format / regular printing services and scanning at member pricing

Weekly Bulletin

- Local, provincial and national Association updates
- Project reports through all stages from pre-bid to award / low results
- Information on upcoming available education opportunities
- Other industry related information

Advocacy

As a member of the Prince Albert Construction Association, you automatically become a member of the Saskatchewan Construction Association (SKCA) and the Canadian Construction Association (CCA). The SKCA works to make your voice heard when it comes to industry related issues through their lobbying and advocacy efforts.

We Build Magazine

This magazine published by the SKCA is a great step forward in reaching our members and expanding communications throughout the province. It showcases the SKCA and industry, and brings together a diversity of views and opinions into one voice - the voice of Saskatchewan's construction industry. It is sent to all members of the SKCA.

Plan Deposit Program

General contractors, electrical and mechanical contractors can participate. No more certified cheques for plan deposit.
